1. This is an application for grant of bail. The applicants alongwith 2 others are shown as accused in C.R.No.1/2006 registered by Kurar Police station for alleged offences under Sections 302, 323, 324 read with 34 of IPC. The deceased in this case is one Pravin Gaikwad. All the four accused were working as labourers in one shop at Devi Prasad Chawl in Kurar village,

Malad. It appears that the incident has taken place 10 feet outside the workshop where the present applicants were working and at quite a distance from where the deceased and other witnesses are staying. All the witnesses were known to the deceased person. The complainant is said to have arrived at the spot on receiving a telephone call from the deceased. The complainant and other witnesses do not appear to speak about the origin of the incident. Advocate for the applicants has shown to me that 2 out of 4 accused were sent for medical examination. One of the co-accused had infected CLW on right pareital region and the other accused had infected incised wound on the right forearm skin deep. Both the injuries are not very serious. Yet none of the witnesses who are the friends of the deceased have revealed as to how such injuries were caused. There is

a possibility in this case that evidence might indicate an earlier incident of assault. The applicants have used the weapons like stick, iron bar, electric wire and stone. Taking an overall view of the matter, I am inclined to grant bail to the present applicants. It is therefore, directed that pending their trial in pursuance of C.R.No.1/2006 registered by Kurar police station, the applicants may be released on bail in the sum of Rs.15,000/- each with one surety each in the like amount subject to the condition that they will report to the investigating officer once a month on every first Monday till the disposal of the trial. Application stands disposed of.
